PROFILE

Undergraduate Statistics student at Universitas Padjadjaran with expertise in statistical modeling, data cleaning and validation, machine learning, etc. using R, Python, and Microsoft Excel. Experienced in teaching regression analysis and experimental design as a laboratory assistant and in providing statistical consultation to clients. Strong leadership, coordination, and communication skills developed through teaching assistantships, statistical consultation, and leading committee divisions. Career interests in data analytics and data science.

EDUCATION

Universitas Padjajaran — **Jatinangor, Sumedang**
Undergraduate Statistika — **Aug 2024 - Aug 2028 (Expected)**

PROFESSIONAL EXPERIENCE

Directorate of Research, Downstreaming, and Community Engagement, Universitas Padjajaran — **Jatinangor, Sumedang**
Intern, Research & Social Impact Operations Team — **Aug 2026 - Present**

- Contributed as part of a team to verify 200+ research publication records in Excel by cross-checking author information, journal indexing (e.g., Scopus), and journal quartile (Q) rankings to ensure data accuracy and completeness.

Teaching Assistant Experimental Design Analysis Project — **Jatinangor, Sumedang**
Laboratory Assistant — **Aug 2026 - Present**

- Delivering weekly laboratory sessions for the Experimental Design course to 16 undergraduate students, guiding them in applying ANOVA, completely randomized design, randomized block design, factorial design, etc. using R and Excel

Teaching Assistant Regression Analysis — **Jatinangor, Sumedang**
Laboratory Assistant — **Feb 2026 - July 2026**

- Delivered 12 weekly laboratory sessions for the Regression Analysis course, guiding a class of 30 undergraduate students in applying simple and multiple linear regression and assumption testing using R and Excel.

Community Satisfaction Survey (SKM) at Hasan Sadikin Hospital — **Bandung, Jawa Barat**
Survey Enumerator — **Jun 2026 - Jun 2026**

- Conducted face-to-face interviews with approximately 20 patients and patients' family members over a 6-day survey period (June 10-15, 2026), collecting primary data for the Semester I 2026 Community Satisfaction Survey (SKM) used to evaluate hospital service quality.
- Administered structured Likert-scale questionnaires and recorded responses accurately following survey procedures, supporting data quality for the calculation of the Community Satisfaction Survey (SKM).

LEADERSHIP & ORGANIZATION EXPERIENCE

Forum Kajian Statistika (FOKASI) UNPAD — **Jatinangor, Sumedang**
Staff Multimedia — **Feb 2026 - Present**

- Managed FOKASI's online communication channels and responded to approximately 2-3 consultation inquiries per week.
- Supported clients with statistical data analysis (e.g., regression, hypothesis testing, descriptive statistics, etc.) using R and SPSS for academic papers and research projects
- Collaborated with the multimedia team to create and publish digital content promoting FOKASI's statistical consultation services, generating 30,590 views and reaching 7,466 unique accounts on Instagram in 30 days.

Staff Public Relations — **Feb 2025 - Nov 2025**

- Disseminated information about FOKASI's statistical consultation services and organizational programs.
- Assisted clients with statistical data analysis and provided support for research projects, including academic papers and data interpretation.

- Collaborated with team members in organizing and executing social programs and community outreach activities.

Student Executive Board of HIMASTA UNPAD
Jatinangor, Sumedang

Staff Member Arts, Culture, and Sports Division **Jan 2025 - Dec 2025**

- Served as a staff member of the Arts, Culture, and Sports Division, contributing to the planning and implementation of programs and activities within the division.
- Served as the Project Officer for Putra Putri HIMASTA 2025, a delegation program that selected and prepared HIMASTA representatives to participate in the Putra Putri MIPA competition.
- Coordinated the planning and execution of the delegation program, including communication and coordination with relevant parties.

COMMITEE EXPERIENCE

Statistics Day
Jatinangor, Sumedang

Head of Liaison Officer Division (Statistics Day 2026: Aethera) **Mar 2026 - Present**

- Led the Liaison Officer Division of 12 members, coordinating participant, speaker, and guest relations across three event series: RASIO, Seminar Nasional Statistika (SNS), and Blazture.
- Managed Liaison Officer operations for RASIO, an ASEAN-level competition with four competition categories, while overseeing participant support and communication across all event series.
- Collaborated with cross-functional committees to deliver SNS (100+ participants) and Blazture (2,700+ tickets sold), ensuring a positive experience for participants, speakers, and invited guests

Deputy Head of Liaison Officer Division (Statistics Day 2025: Elevora) **Mar 2025 - Nov 2025**

- Assisted the Head of the Liaison Officer Division in coordinating participant, speaker, and guest relations across all event series, including Blazture (1,900+ tickets sold).
- Supervised Liaison Officer members and ensured effective communication and support for participants throughout the event.
- Coordinated with organizing committees to facilitate smooth event operations and resolve participant-related issues.
- Monitored the execution of Liaison Officer responsibilities to ensure a positive experience for participants and invited guests.

MIPA Sapa Generasi
Jatinangor, Sumedang

Staff Event **Sep 2025 - Oct 2025**

- Assisted in planning and executing educational outreach programs for elementary and special education schools, ensuring the smooth delivery of interactive learning activities.
- Facilitated science and character-based educational sessions while coordinating volunteers, event logistics, and participant engagement throughout the program.
- Contributed to programs reaching 67 elementary school students and 5 special education classes, supported by 46 volunteers and the distribution of 60 tree seedlings to promote environmental awareness.

MIPA Mengabdi
Bojong Kidul, Garut

Head of General Event **Jun 2025 - Aug 2025**

- Led the General Event Division in planning and executing community engagement programs during MIPA Mengabdi in Bojong Kidul, Garut.
- Coordinated event logistics and cross-functional teams to ensure the successful implementation of community service activities.
- Contributed to programs that engaged 200+ community members, supported environmental and health initiatives, and facilitated educational outreach throughout the village.

COMPETITIONS

- **SATRIA DATA 2026, Big Data Challange (BDC) | University Delegate**

  Selected as a university delegate through an internal selection comparing LightGBM, XGBoost, and CatBoost for image classification in an internal selection, then developed the final model in Python (Google Colab) as part of a team for the national competition, achieving 96.7% accuracy.

- **SATRIA DATA 2026, Big Data Challange (BDC) | University Delegate**

  Conducted statistical analysis of Indonesia's CO_2 emission trends and energy consumption in R as part of a team, and translated the findings into an infographic poster on the carbon market (IDXCarbon) and energy transition.

- **Placed 2nd in the Generative AI Application Competition (TALENTA for UNPAD, organized by Elitery), 2024.**

SKILLS

- **Statistical Analysis:** Regression Analysis, Time Series Analysis, Multivariate Analysis, Structural Equation Modeling (SEM), Experimental Design, Hypothesis Testing
- **Programming & Statistical Software:** R, Python, SPSS, LISREL (Basic), Microsoft Excel.
- **Data & Research:** Data Cleaning, Data Analysis, Statistical Modeling, Data Validation, Survey Data Collection, Data Visualization
- **Soft Skills:** Leadership, Project Management, Communication, Teamwork, Problem Solv.ing.
- **Languages:** Bahasa (Native), English (Working Profiency).
